

Dominican Republic Villas

With lock-up-and-leave management & rental options. From \$229,900 US

Welcome Cold Winter Haters...

Are you tired of snow and cold?
Wondering where to retire or thinking about making a life change?
Maybe you want a vacation home you can rent when you're not using it?
How about a simpler, more

If you answered yes to any of these questions, then you'll love Casa Linda! You can own a fully titled tropical villa in the Dominican Republic, where prices are affordable and services are plentiful. You can expect executive finishing, smart floor plans, lush landscaping, sparkling pools and welcoming neighbours - all in a gated community tailor made for foreign buyers.
Wouldn't it be great to swim in your own pool all year long? How about barbequing in January and having dinner on the beach any time you want? Give up that snow shovel and say goodbye to cold!
Casa Linda offers services not found in any other project on the north coast, including a Community Engagement Coordinator for planned events & activities, an Owner's Liaison staff person to assist you, shuttle bus, and much
